

COMMISSION IMPLEMENTING REGULATION (EU) No 343/2011**of 8 April 2011****opening and providing for the administration of Union tariff quotas for wines originating in Bosnia and Herzegovina**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾, and in particular Article 144(1), in conjunction with Article 4, thereof,

Whereas:

- (1) The Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and Bosnia and Herzegovina, of the other part (hereinafter referred to as 'the Stabilisation and Association Agreement'), signed on 16 June 2008, is in the process of ratification.
- (2) The Interim Agreement on trade and trade-related matters between the European Community, of the one part, and Bosnia and Herzegovina, of the other part (hereinafter referred to as 'the Interim Agreement'), and the measures adopted by Council Regulation (EC) No 594/2008 of 16 June 2008, on certain procedures for applying the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and Bosnia and Herzegovina, of the other part, and for applying the Interim Agreement on trade and trade-related matters between the European Community, of the one part, and Bosnia and Herzegovina, of the other part ⁽²⁾, provide for the early implementation of the trade and trade-related provisions of the Stabilisation and Association Agreement.
- (3) The Interim Agreement and the Stabilisation and Association Agreement provide that wines originating in Bosnia and Herzegovina may be imported into the Union, within the limits of Union tariff quotas, and subject to the condition that no export subsidies should be paid for exports of these quantities by Bosnia and Herzegovina, at a zero-rate customs duty.
- (4) The Commission should adopt the implementing measures for the opening and the administration of those Union tariff quotas.

- (5) In Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ⁽³⁾, management rules for tariff quotas designed to be used following the chronological order of dates of acceptance of customs declarations are set out.
- (6) Particular care should be taken to ensure that all Union importers have equal and continuous access to the tariff quotas and that the zero-rate duty laid down for the quotas is applied uninterruptedly to all imports of the products concerned into all Member States until the quotas are exhausted. In order to ensure the efficiency of a common administration of those quotas, there should be no obstacle to authorising the Member States to draw from the quota volumes the necessary quantities corresponding to actual imports. Communication between the Member States and the Commission should, as far as possible, take place by electronic transmission.
- (7) From the entry into force of the Interim Agreement on 1 July 2008 until the final day of application of Council Regulation (EC) No 1215/2009 of 30 November 2009 introducing exceptional measures for countries and territories participating in or linked to the European Union's Stabilisation and Association process ⁽⁴⁾, wine exports from Bosnia and Herzegovina took place within quota number 09.1515 set out in that Regulation. This Regulation should therefore apply from 1 January 2011.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for the Common Organisation of Agricultural Markets,

HAS ADOPTED THIS REGULATION:
